Mr. Lempia called the examiner to indicate that the Notice of allowability mailed on September 9, 2002 has been received and that, to the best of his knowledge, the maintenance fees of US Pat 5,598,196 were current. The examiner indicated that he had originally checked for the maintenance fee payment by looking up the serial number, 07/871,775. When checking under the patent number, 5,598,196, it was discovered that the maintenance fees for the Braun patent were up to date. The examiner indicated that the Notice of Allowability would be withdrawn.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
